FATHER AND SON DINNER

For the first time the St. Albert 1st and 2nd Scouts and Cubs had their Annual Father and Son Dinner together, last Sunday. In the nicely decorated R.C. Parish Hall, Mr. F. Laird was Master of Ceremonies and Dr. E. R. Schwarz said

the Grace.

Guest Speaker was Father Reprades, who said, "The goal thing of scouting is to be good for 'nothing'. It is also very important to give service, to be useful and to help others." We think this was a wonderful idea of

the Roman Catholic and Protestant Scout leaders to have this joint dinner. It certainly was enjoyed by all the fathers and sons. It was an important step towards bringing harmony and understanding between all, which is a great thing for our community.

DOGS

Editorial WJN.

In this issue you will find *Cherchez la Femme* and two Letters to the Editor all on the same subject - dogs. This matter is no longer a joke. We have argued about this dog problem many times in the past, but it seems that even with the help of the S.P.C.A. there has been no improvement.

With spring approaching when many of us will be working in the garden, now is the time for Council to take steps to control this plague forever. The present bylaw is not sufficient. We strongly suggest that an amendment be made to the bylaw, imposing a stiff fine, which would give those people second thoughts about their irresponsible and unco-operative behaviour. We do not hesitate to use this strong expression because we know that some dog owners let their dogs run loose over town as soon as the S.P.C.A. truck has left, especially at night. This is not just unneighbourly. We are convinced that dog owners who allow their dogs to roam are not real dog lovers. A person who really loves animals looks after them.

OVERLAPPING

Last Saturday there was a Winter Carnival at the Grandin Park Rink. There was also a Guide & Brownie Tea in the Community Hall. We don't know how many times such overlapping of activities takes place yearly in St. Albert. But we do know that it is high time that someone become a co-ordinator between all our club activities, so that overlapping of events of general public interest does not happen. A Recreation Director, or if there is no money, a Recreation Co-ordinator, should be the man or woman to set up an efficient plan in co-operation with all our clubs, to ban overlapping forever.

In the case of last Saturday, many Brownies, Guides and mothers were interested in attending both the Winter Carnival and the Tea. It is discouraging for the ones who spend so much time and effort to have their event spoiled by overlapping with another event. This is not necessary at all and we hope that the leading recreation organizations in our town will take steps to solve this problem as soon as possible.

SUBSCRIPTION FEE

For all the newcomers in town, we would like to mention that at the moment, there is no subscription fee for the St. St. Albert Gazette. It is up to you what you give to the paper boy, in appreciation for his service. This is his only pay.

ANNUAL MEETING TOWN OF ST. ALBERT

SWIMMING POOL BROUGHT LIVELY DISCUSSION

The Town of St. Albert Annual Meeting was held Monday, February 24 in the Community Hall. As last year, the meeting was recorded on tape, and no one had any objections. Mr. Bill Penrose was again nominated as chairman for this meeting, and he did his job most efficiently.

The Financial Report, discussed page by page under the direction of the chairman, brought strong opposition several times from the ratepayers. The report was defended by the Town's auditors Deloitte, Plender, Haskins and Sells. There were many questions regarding the Town's water system which was thought to have been designed to serve a population of 20,000. In a letter from the Town's consulting engineers, it was mentioned that the water system would only be sufficient for a population of around 12,000. Mr. Gordon Parkes, former manager of the New Town of St. Albert, asked why the same consulting engineers who designed the water system to serve 20,000, now have changed their minds and say the system is only just enough for 12,000. Mayor Veness assured the ratepayers that this very important matter will be discussed during one of the first meetings of Council.

The Municipal Inspector's Report, which was read by Mr. James Gee, Secretary Treasurer of the town, and the Mayor's Report, will be found in condensed form elsewhere in this issue.

The free discussion was a real lively one. The ratepayers expressed clearly that they wished recreation on a sound basis in our town. Mayor Veness said that if we wish recreational facilities - swimming pool, arena, etc., we must realize that we will have to pay for it. "This of course, he said, " can be expressed by a plebiscite."

From Our Readers

Dear Sir,

I have a couple of 'beefs' I'd like to exploit through the medium of your paper No. 1. The running at large of dogs. All dog owners know the S.P.C.A. panel, from Edmonton, is not around early in the mornings, after six at night, or on weekends. At these times, dogs are permitted to run freely - knocking over garbage cans, littering garbage, messing property, high basement windows and doors.

The only sure cure for people's thoughtlessness is to have staggering hours and days for the S.P.C.A. panel to appear, so that the people will be unaware of these times. After a few fines, they will chain, leash walk, build runs, or get rid of their pets. Otherwise, discontinue this service, stop wasting the taxpayers money on the present system which is inadequate.

No. 2. Wasn't there an understanding that when a town reached a population of six thousand we are entitled to postal delivery service? This would eliminate the need for costly parking facilities and congestion on our main street. Are the merchants afraid of losing business, or are we waiting for an accident before something is done?

Why isn't there any postal boxes in various parts of our town, so as we would not have to go to the post office everytime we had to mail a letter? I understand, if enough people complained to the district Post Office in Edmonton, we would have these facilities.

A Citizen.

Dear Sir,

When we came to live in St. Albert, we were told that this is a real nice and quiet community, ideal for people loving suburbia, away from the hustle and bustle of the big city. Indeed the town is a real nice place to live, with one big exception. Dogs!

It's a nuisance. We have 4 small children, but they don't dare play out anymore because they are deadly afraid of those barking dogs. So my wife has to keep them inside despite the mild weather.

ANNUAL MEETING *continued from page 2*

Mrs. Quiry of Grandin Park, proposed that the \$22,000. Recreation Grant be used for the start of a swimming pool. Mr. Gee explained that we have only a limited time (5 weeks) to decide the use of this money. Mrs. Quiry asked why we needed so long to make a decision regarding this \$22,000. which has been available since 1959. Some ratepayers blamed Council and some the Recreation Board for their lack of activity in regards this grant. Councillor Stewart said that the Recreation Board couldn't be blamed as this was a matter between Council and the Provincial Government.

Mr. Parkes asked if a plebiscite could be held in time to use this \$22,000. for a swimming pool. Mr. Gee said that this would only be possible if the Minister would grant us an extension of time. A motion was made by Mr. Sollanych that Council ask for an addition to the 5 weeks which are now left, to apply for the \$22,000. This motion was almost unanimously carried. Mr. Rudy Scheibelhofer moved that a plebiscite be held immediately to decide if the citizens want a swimming pool. This motion was carried with a great majority. An amendment to this motion by Mr. Gene Perron to add "and/or arena" was defeated. Dr. Skrobot's suggestion that the \$22,000. be used to equip tot lots all over town was not supported by the ratepayers.

At the end of the meeting, when many had already left (12 midnight), Mr. Parkes moved that every effort be made to use the \$22,000. for a swimming pool, and if not possible for that, a covered arena. An interesting suggestion was made by Mr. Rudy Scheibelhofer, that a covered arena could be built, using a special steel construction over the present rink in Sturgeon Heights, with 15,00 seats, for only around \$50,000.

With all those suggestions and motions, Council has many ideas regarding the wishes of the ratepayers. It should certainly result in a positive action being taken by Council in the recreational field for the Town of St. Albert.

The motion to adjourn the meeting was made by Peter Zuidema.

The Party Line

Girls - this is the weekend you've been waiting for. You can go all out after your heart's desire, no holds barred, and legal too, according to Sadie Hawkins tradition. As for us married gals, I think there is some unwritten law about taking the husband out but we'll keep that sorta quiet eh?

CHERCHEZ LA FEMME

St. Albert has "gone to the dogs"

In certain areas of our community there are those that are making this a fact. Looking out over many back yards, overturned garbage tins, scattered papers and animal droppings are very much in evidence now that melting snow is exposing the ground. Most of this is caused by uncontrolled dogs allowed to roam at will. True, the SPCA has a contract for rounding up loose dogs, but inconsiderate owners are letting their animals run free before going to work or when the dog-catcher is off duty.

As the nice weather approaches, Sunday drivers will again be coming to St. Albert to admire our scenic surroundings. Much time, effort and money was invested last year by all our residents to beautify their property - why should it be

necessary for them to replace and re-seed because of damage done by uncontrolled dogs? Most of our residents who own a pet are concerned enough to provide adequate kennels and dog-runs and keep them tied up as the law requires. It has also been reported by several mothers, that dogs are running in packs and terrorizing their children.

What can be done? It must become the duty of all citizens to report the offenders either to the SPCA or the R.C.M.P. There is a bylaw which prohibits dogs to run at large in St. Albert. To quote in part, "no person who is the harbourer of any dog shall allow such dog to run at large in the Town of St. Albert, unless such dog is under the immediate charge and control of some competent and responsible person. A dog shall be deemed to be running at large if it is upon any public street, lane or highway or upon the premises of any person other than its owner or its harbourer". The penalty for any infraction of this bylaw shall be a fine of not less than \$10.00 and not in excess of \$50.00. In a recent interview with Corporal Lyndon in charge of our local R.C.M.P. detachment, he said, "There are too many dogs running at large in St. Albert and steps are being taken to enforce the bylaw which prohibits this".

This is not a problem that is unique to St. Albert, but let us be unique in putting an end to the problem!

THE DOGS!

Tom As Reader continued from page 2

er. When she is going out with them for a walk, the howling dogs come right after them, knocking the smaller children down. With the screaming kids, and the dogs in hot pursuit, my wife has to hurry back home. Then those dogs use our garden and anybody else's garden as a toilet. I am afraid the small trees won't survive as a result. And how in the world can we do any seeding? What is the use of having a nice garden when dogs on the loose come over and spoil everything. Sometimes even contents of garbage cans is thrown all over the place by dogs.

I believe modern planning should have progressed by now beyond an Indian camp. As it is now, the dogs are the masters of the streets and the gardens.

I wonder if anything could be done about this problem of our town.

Tickets \$1. at the door or call 599-7655. Door prize \$100.

The annual meeting of the **St. Albert Ladies Curling Club** was held in the Legion Hall on Tuesday, February 18. There were 27 members present. Reports were read by the Secretary and Treasurer and a very good season is on record.

EXCERPTS FROM THE MAYOR'S REPORT

During the past year 340 permits were issued for dwellings, together with a high quality apartment building, various commercial enterprises and our first major industry which is scheduled to come into production during this current year. The population of the town in May, 1963 was 6,880, an increase of 1,631 from the previous year and it is estimated that the population reached 8,000 by December 31st.

Council budgeted for a surplus of \$13,253 for the 1963 operation and from the financial statement it can be seen that the surplus actually realized was \$15,069., a fact of which we are proud.

It is interesting to note that the assessment completed late in 1963, for 1964 purposes, increased by over 2 million dollars, to \$12,342,752. As a comparison I would like to quote the following yearly assessments:

1961	6,086,845.
1962	7,847,710.
1963	10,236,397.

In 1960 the per capita debt was \$602.
In 1961 it was 601.
In 1962 it was 381.
And in 1963 it was further reduced to \$358.

Negotiations are presently underway to obtain a parcel East of St. Albert containing some 270 acres for major recreation and park use. Should these negotiations bear fruit, the citizens of our community may find one of the largest regional parks in the province at our doorstep.

The new directors elected are: Rose Bryant, Ruby Shanley, Mable Dressler and Annette Wynn, and with the four existing directors, we hope to have another successful season. The meeting closed with a vote of thanks to the retiring executive.

The Gateway Chapter, Sweet Adelines meet every Tuesday in the Memorial Hall of the Montgomery Legion, Club Room 215 at 8 p.m. This is barbershop singing for ladies and anyone interested in joining this group may contact Mrs. Leona Arundel at 599-8322. A car pool looks after transportation.

BROWNIES & GUIDES

The tea held February 22nd with the theme "Thinking Day" was very successful. Thank you to all who attended and donated, and a special vote of thanks to Convenor Mrs. LeBlanc and Vice-chairman Mrs. Austin and their workers for a job well done. It was especially nice to see so many Brownies and Guides helping at this affair.

St. Albert Protestant Separate School District No. 6

PUBLIC NOTICE

By the Board of Trustees of The St. Albert Protestant Sep. School District No. 6 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert Protestant Separate School District No. 6, of the Province of Alberta, that the sum of Two Hundred & Forty Seven Thousand Dollars should be borrowed on the security of the said District by the issue of Debentures repayable to the bearer in Twenty Five consecutive annual instalments with interest at the rate of not more than six per centum per annum for the following purposes, namely:

- Landscaping site at an estimated cost of \$5,000.00
- Erecting a masonry and frame school to consist of 8 general classrooms, library, gymnasium, infirmary, offices, storage rooms and auxiliary facilities at an estimated cost of \$227,000.00 including architect's fees, water supply and sewage connections.
- Providing furniture and equipment at an estimated cost of \$15,000.00
- At Sturgeon Heights, St. Albert.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the proprietary electors of the said School District for and against the said debenture loan is demanded as provided by The School Act, the said Board will apply to the Local Authorities Board for authority to borrow the said sum

by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Ronald H. Harvey
(Chairman)

Dated at St. Albert this 14th day of November, 1963.

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DISTRICT

- A poll of the proprietary electors for and against the by-law may be demanded within fifteen days after the date of the posting or of the last publication of this notice, the demand for a poll shall be in such form as is prescribed by the Minister and shall be signed:
 - In a district other than a city district, by fifty proprietary electors or by five per cent of the proprietary electors, whichever is the lesser number.
 - In a city district, by one thousand proprietary electors or by five per cent of the proprietary electors, whichever is the lesser number.
- The demand for a poll should be delivered to the secretary of the district or, in his absence, to the chairman of the board of trustees. A certified copy of the demand should be transmitted forthwith to the Local Board of Alberta, at Edmonton.
- Proprietary elector means any elector, who is liable to assessment and taxation for school purposes in respect of property situated in the district.
